Information Disclosure Statement

(37 C.F.R. §1.97(c))

Sir:

The following information is being disclosed to the U.S. Patent and Trademark Office as information that may be material to the examination of the above-identified patent application.

Applicant's Attorney is aware of the art cited on the attached Form PTO-1449. The document was cited in a related International Search Report and Written Opinion. Copies of the International Search Report and Written Opinion are enclosed. References US 2001/0031019; US 2003/0123877 and U.S. Patent 4,891,823 were already cited by the Examiner in an Office Action dated January 5, 2005.

☒ Each item of information contained in this Information Disclosure Statement was cited in a communication from a

foreign patent office in a counterpart foreign application no more than three months prior to the filing of this Statement, or

- ☐ No item of information contained in this Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the person signing the statement after making reasonable inquiry, no item of information contained in this Statement was known to any individual designated in 37 C.F.R. §1.56(c) more than three months prior to the filing of this Statement.

The filing of this Statement is not to be construed as a representation that a search has been made regarding the claimed invention (37 C.F.R. §1.97(g)) or that no other possible material information exists. In addition, the filing of this Statement is not to be construed to be an admission that the information cited in the Statement is, or is considered to be, material to patentability (37 C.F.R. §1.97(h)).

Respectfully submitted,

Gerald J. Stanton (Reg. No. 46,008)
